Summer 2020 is the time for summer camps on beautiful Stensö in Kalmar, Sweden. We in the Camp Committee want to invite your scout group to participate in this fantastic camp. The date of the camp is 27/7-1/8, the Trackers connect 29/7.

## The Campsite

The campsite for Vasalägret 2020 will be on Stensö 2.5 km from central Kalmar, Sweden. In 1989 it was a the Scout camp at this place and was then Sweden's largest Scout camp with 2500 Swedish and foreign scouts.

## About Stensö

Stensö is one of Kalmar's most popular recreation areas. On the northern part of Stensö there is a campsite, a larger bathing area and miniature golf courses. The area has been used as pasture for several hundred years. When the pasture was more extensive, the peninsula had a more open character, with sparse oak forest.. Nowadays, most of Stensö is covered in oak forest with hints of birch and aspen.

Out on the headland a memorial monument was erected in 1933 that Gustav Vasa landed on Stensö May 31, 1520.

In 1851, the first monument was erected on Stensö, but moved to the city park when it was opened in 1880.
